

3.6 Implementation Period

The defined measures were agreed by Mr. Bellasi via e-mail on May 06, 2013.
 All defined measures had to be implemented until July 30, 2013.

Advice: The detailed requirements regarding IT & processes are to be found within VDA assessment. The particular requirements are to be implemented up to level 3 in general (all processes are implemented and documented consistently).

4. Approval

The examined partner company hereby receives following approvals:

Type of Approval		Granted date	Valid until
X	Approval for confidential data	Jul 23, 2013	Jul 22, 2016
